Thefts by Teen-agers Are Probed

The Division of Child Welfare is investigating the case of two teen-age boys accused of taking merchandise from automobiles parked at the Benton High School gym during basketball games.

A hearing date has not been set for the boys by County Judge Artelle Haltom. When it is the first offense, the boys usually are placed on probation by Judge Haltom. His ruling usually follows a recommendation by the Child Welfare Department.

The boys, both Benton school students, were arrested last Friday night by Police Chief Charles Carrell and Auxiliary Policeman Joe Scott. Barnes. When arrested, the boys had in their possession some articles taken from a parked car.

Officers said such thefts from cars parked at basketball games had been going on for some time.

Among the stolen articles recovered by police were:

Flash lights, folding ruler, rifle, two rolls of tape, screwdrivers, rifle shells, portable radio, fire extinguisher, shotgun shells, brown leather jacket, camera with flash attachment, a pocket camera, wire pliers, brief case with zipper fastener, leather gloves, 100-foot tape measure and wrenches.

Sharpe won his sixth grade school basketball championship of Marshall County last Saturday night by defeating Hardin 53 to 37 in the finals of the county wide tournament.

The tournament was held at the Hardin gym.

The Green Devils rolled up a 32-9 lead at half-time and then coasted to victory. Darnell was high man for Sharpe with 24 points. Jones scored 7, Poe 4, Moyers 4 and Barrett 4.

Hudson was top man for Briensburg with 12 points. Wright scored 11, Kenny 8 and Nenter 6.

Residence Burns; Fire Hits Gym

Three alarms within about 12 hours kept Benton's Fire Department on the hustle Wednesday and early Thursday.

Two of the alarms came from the same address, the Rolfe Stratton home in Cole's Addition. The other alarm came from the Benton High School gym.

The Stratton house, at 1501 Walnut, was destroyed by fire Wednesday night at about 9 o'clock. The Stratton family had departed for Detroit late Wednesday afternoon.

It was reported that a minor blaze had started at the house before the family departed but that the family had put the fire out. A 15-year-old son, who had remained at home, returned to the house Wednesday night and when he opened the front door smoke and flames began pouring out. He sounded an alarm.

At about 5 o'clock Thursday morning, flames broke out again at the house and the Fire Department had to return there and extinguish the fire.

Fire broke out at the Benton High School gym Wednesday afternoon about 3:30. Supt. Joe Duke turned in the alarm. Mr. Duke said he was making a routine check of the gym to see if the doors were locked before he went home for the day. He saw smoke coming from the stage in the north end of the gym, and turned in an alarm.

The fire burned a four-foot square hole in the stage floor and destroyed the double doors leading from the stage to Coach Bill Farris' office before it was extinguished by firemen. A physical education class had been in session at the gym until 3:10 p. m. Mr. Duke discovered the fire at 3:30. Cause of the fire was undetermined. Mr. Duke said some dirty towels used by the ball team had been stacked near the doors, and that possibly someone had tossed a cigarette or match into the towels.

If Mr. Duke had not discovered the fire as soon as he did, the gymnasium might have been badly damaged or even destroyed.

Final Rites Are Held For Mrs. Boyd Smith

Funeral services for Mrs. Laura Smith, 89, who died at 1:20 o'clock last Friday afternoon at her home on Poplar Street in Benton, were held Saturday afternoon at the Filbeck-Cann Funeral Chapel by the Revs. L. V. Henson and J. Frank Young.

Burial was in the Jackson-Starks Cemetery.

Mrs. Smith is survived by two daughters, Mrs. Viola Fields of Louisville and Mrs. Harold Pryor of Houston, Texas; two sons, Henry and Marvin Smith of Benton; three grandchildren and two great-grandchildren.

Mrs. Smith was a member of the First Missionary Baptist Church in Benton. She was the widow of Boyd Smith who operated a dry goods store in Benton for many years. He died in 1937.

Pallbearers were Thomas Morgan, C. C. Hunt, Woodrow Holland, Scott Ely, Paul Darnall, and R. R. McWaters.

UNLOADING ZONE -- This Court Square zone for unloading trucks didn't exist long. Signs marking it as an unloading zone were put up last Thursday. By Saturday, however, the signs were taken down and the hoods removed from the meters. The experiment apparently didn't work.

How About The Alleys?

There is an old saying that wise men change their minds, fools never do.

Wise or unwise, some swift mind-changing took place in Benton last week on the problem of unloading trucks in the business section.

On Wednesday, two zones were established on the Court Square for the unloading of transport trucks. Late Friday afternoon, the zones were abolished. In fact the zones were eliminated before most people knew they existed.

The City of Benton, it seems, had established the zones as an experiment at the suggestion of the State Highway Department. Apparently the experiment fell flat on the pavement. Merchants didn't like the tying up of all that customer parking space. And the city discovered it was losing needed revenue from the parking meters.

So the truck loading zones were abolished, and we are just as far from solving the Court Square traffic problem as we were years and years ago.

There is a fairly simple solution to the problem, however. Private alleys exist at the back doors of most business places in Benton. These alleys are used by owners for the parking of their private automobiles, thereby blocking any use by transport trucks. But couldn't the merchants and city officials get together and agree to keep the alleys clear for use by transport trucks and insist that the trucks use the alleys rather than the streets.

Such an agreement would require only a small amount of selfishness on the part of the owners of the alleys, and it certainly would take many a big transport truck off the Court Square streets.

The plan ought to rate at least as much of an experiment as last week's fiasco.

Indians, Jets Out Front in Tourney

Benton's Indians and North Marshall's Jets appear to be headed for the semi-finals Friday night in the 4th District basketball tournament at Murray, and the two teams likely will meet in the finals Saturday night.

Most forecasters have said all along the two teams would meet in the finals, and that both teams would play in the regional tournament.

Coach Farris' Indians advanced to the semi-finals by defeating South Marshall's Rebels 44 to 28 Wednesday night. Benton will meet New Concord Friday night. North Marshall's Jets will play Lynn Grove tonight (Thursday) and Kirksey will battle Hazel. Winners of these two games will meet Friday night in the semi-finals.

Benton opened the tournament by defeating Alto 41 to 25 Monday night. Alto's free throwers failed against the favored Indians, but held the score low. At the end of the first quarter the score was tied at 7-7, at the half it was 11-7, and at the third period score was 29-17. Dailey was high man for Benton with 17 points.

On Tuesday night, North Marshall beat Murray High 70 to 46 and Lynn Grove knocked out Murray Douglas from the tournament by a score of 62 to 60. North Marshall's Jets led 12-7 at the first quarter, 26-19 at the half and 51-26 in the third period.

MRS. FEEZOR BURIED IN OLD HARMONY CEMETERY

Funeral services were held this (Thursday) afternoon at Linn Funeral Chapel for Mrs. Mary Feezor, 78, of Symonsia. She was a member of the New Harmony Baptist Church.

Garbage Franchise Decision Delayed By City Council

Benton's City Council, in session Monday night at City Hall, deferred a decision on a garbage franchise until the next council meeting on March 16.

The Council heard Charles Lents outline his plans to operate a garbage collection system and then voted to take the problem under advisement for two weeks.

Lents' plan calls for a 20-year franchise. Minimum charges would be \$1 for residences and \$8 for business firms. He would operate a private dump for garbage and trash, and under his plan the city garbage dump would be closed.

Report On Gas

The Council also heard Bill Holland, public relations executive of the Union Gas Co., Jackson, Miss., give a report on progress of installing a natural gas system in Benton.

Mr. Holland said work on the system now is underway and that the system will be completed on schedule by July 1.

George Murphy, of the S. & M. Construction Co. of Dumas, Texas, the firm that holds the sub-contract for actual installation of the system, also addressed the council. He said his firm will do a good job of installing the system in Benton.

Vernon Burke, engineer for Albert Switzer and Associates, the firm that will operate the system jointly with the City of Benton, also was present at the meeting. He will provide the overall supervision of the installation of the system.

Financial Report

A typewritten report on the city's financial condition was distributed to members of the Council.

The report showed that total receipts for the fiscal year through February were \$45,697.03. Total expenses through January were \$36,992.12. The fiscal year ends on June 30.

Here is a breakdown of the report:

Police Department - Budget for entire year is \$15,100. The Police Dept., through January, already has spent \$10,129.52 of its total budget.

Street Department - Budget for year, \$14,650. Total expenses through January, \$10,163.36.

Fire Department - Budget for year, \$4,800. Expenses through January, \$491.06.

General Expenses - Budget for year, \$17,100. Total expenses through January, \$1,788.18.

Union, Gas Contractors Fail To Agree

Union labor leaders and the S. & M. Construction Co., which will install a natural gas system in Benton, failed to reach an agreement at a conference held here Tuesday.

The construction company said it could not meet the terms of the labor unions and decided to proceed on the project with non-union labor.

Non-union crews were on the job today (Thursday) for the construction company, and at the time the Courier went to press no picket lines had been established by the labor unions.

Gov. Morehead Was Considered 'Egg Head'

BY CHARLES F. HINDS
Secretary-Treasurer, Kentucky Historical Society

Frankfort - When Gov. John Breathitt died in 1834, James T. Morehead, the lieutenant governor, succeeded to the office, serving out the term which expired in 1836. Governor Morehead is unique in having been, perhaps, one of Kentucky's 'egg-headed' or intellectual governors, a sort of a 19th century Adlai Stevenson.

During the first 12 years of his political life, Morehead's reputation rested chiefly on a series of letters which appeared in Kentucky newspapers under various noms de plume. Some of these letters were copied in a notebook in the governor's hand writing under the title of "Mea Scripta," a manuscript volume now owned by the Kentucky Historical Society.

Morehead was past his 30th birthday when he won his first public office, a seat in the State House of Representatives. He served in the House from 1828 to 1831 and from 1837 to 1841. Although a National Republican, Morehead was elected in 1823 to the second position in State government with a Democratic, Governor Breathitt. When Breathitt died, Morehead replaced the governor without apparent qualms; although in one of the letters in "Mea Scripta," he condemned Governor Slaughter for succeeding to an office to which he had not been elected. Morehead served in the United States Senate from 1841 to 1847.

As a speaker, he was eloquent and almost inevitably drew a large crowd. He was a manuscript and book collector, and, according to Lewis Collins, the eminent historian, Morehead's library of Kentucky history was the largest in the State.

Morehead was a man of strong convictions, standing chiefly for internal improvements, judicial reform, popular education, and colonization of Kentucky's slaves. He practiced law in Covington after retiring from politics in 1847. He died in that city in 1854 and was re-buried the next year in the State burial ground in Frankfort.

Rev. and Mrs. Bill Williams and daughter of Nortonville, Ky., spent the weekend in Benton with her parents, Mr. and Mrs. Joe Rayburn.

Mrs. W. S. Stone returned to Benton Friday from Frankfort, where she spent a month with her sister, Mrs. Elizabeth Lyon. Mrs. Viola Fields, daughter of Walter Fields, returned to Benton Saturday night, having been in Benton weeks with her mother, Laura Smith.

Kenneth Beard of Benton was admitted as a student at the Riverside Hospital in Paducah Thursday.

The Farm FRONT

BY J. HOMER MILLER
This is National 4-H Club Week, honoring the largest youth organization in our county. There are over 90,000 clubs, with more than 2,200,000 members. This program is conducted through the cooperative extension work in the counties.
Two TV programs and about 30 radio programs were given to publicize the week. Our boys and girls are doing a wonderful job. They are learning by doing. Let us all give them a hand to do a still better job.

Congratulations are in order for the public speaking winners last Saturday. Twenty-seven boys and girls took part in the countywide contest. The Junior winners were: Phyllis Powell of Hardin and Edward Chester of Brewers. The Senior winners were Sara Lynne Edwards and Joe Dean, Watkins, both of South Marshall. They will represent the county in the district contests in April.

March came in like a lamb. Maybe we will have continued spring weather the rest of the month. It will soon be time to start planting in the garden. Things like radishes, greens, cabbage, potatoes, & etc. Cool weather crops must be planted early for best results.

The soil test laboratory will be in operation on March 11. Get your samples now so they can be tested early. The lab will be operated by Howard Powell.

Books and Bouquets

BY MRS. L. L. HIGGINS

The bouquet of the week goes to Mrs. Boone Hill, reading chairman for the Sharpe Homemakers Club. Mrs. Hill reports the students at Sharpe School are enjoying the bookmobile and are checking out books each trip.

Mr. and Mrs. Rob Brandon of Frankfort, Ky., spent a few days recently with his parents, Mr. and Mrs. J. R. Brandon.

God's free gift is the Life of the Ages, bestowed upon us in Christ Jesus our Lord.—(Acts 6, 23.)

As He promised in the days when He walked among men, Christ Jesus is with us today when we open our hearts to Him in faith and devotion, when we love Him as He loved us, sacrificing our self-will and self-indulgence as tiny tokens of the sacrifice He made for us on the Cross.

EVERETT ALLEN WINS LIFE INSURANCE HONOR

Everett P. Allen, local agent of the Commonwealth Life Insurance Co. of Louisville, has made the company's Quarter Million Club. This means he wrote a quarter of a million dollars worth of life insurance in 1957 -- the exact figure was \$259,999.

A letter from L. Glen Nelkirk, director of agencies, congratulated Mr. Allen and said:

"This is indeed an outstanding accomplishment. May I extend to you a challenge to set your sights for 1958 on making the Half Million Dollar Club. I am sure you can make it if you so desire."

\$4160 Is Paid For Emergency ACP Practices

Forty-one-hundred-sixty dollars was received last fall for emergency ACP practices to restore and repair damaged drainage ditches, removal of debris, filling, shaping of gullies, waterways, removal of terraces and diversion channels and shaping eroded land that was caused by excessive rainfall and floods during 1957.

To obtain this help, a farmer must sign a request the same as a regular ACP cost-share practice. The emergency practice cost-share is 80 percent of the average cost of repairing the damage. Seeding on this practice must be done and regular ACP cost-share may be obtained.

It is possible that more Emergency Funds may be obtained for Marshall County.

Farmers with land damaged as noted above should use this opportunity to get some repair work done.

Mrs. Laura Eickholz of Metropolis, Ill. was reported to have been seriously ill with pneumonia during the weekend. Her son, Ernest Eickholz, manager of the Northside Salvage Yard in Benton, visited at her bedside.
